

Creation of a Media Account in the press area

This is a common area between WEC, ELMS, LMC & ALMS. This account is individual to the person named.

<http://press.fiawec.com/> --- <http://press.europeanlemansseries.com/> --
<https://press.asianlemansseries.com>

You will need an email address and a personal password.

Media will then receive an email confirming the account request and then confirming the account creation. Each account holder can also manage his/her account on the “Manage your account” section (see below - Click on your name in the menu -Left site of the screen)

How to request Media Accreditation

European Le Mans Series including Michelin Le Mans Cup + Ligier European Series AND Asian Le Mans Series. -- All accreditation applications must be made online --

<https://press.europeanlemansseries.com/> <https://press.asianlemansseries.com/>

This process applies to ALL International – National media including ENG TV crews

****FIA WEC International media must make a request on the FIA WEC website**

<https://press.fiawec.com/>

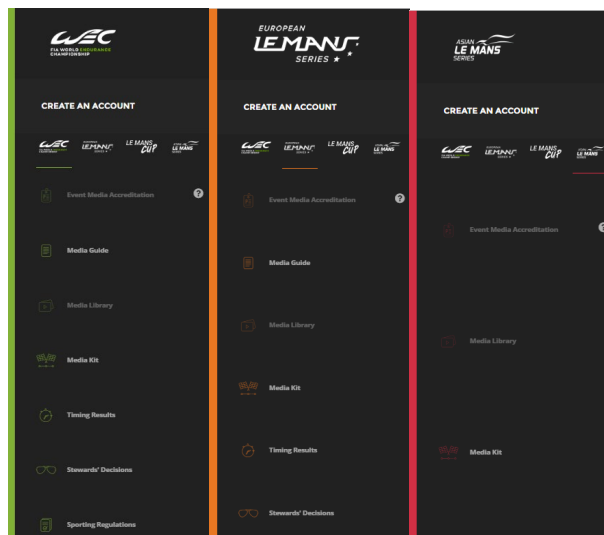

****FIA WEC National media must make a request for a media pass through the media department of the relevant track (you can find all contacts in the Media Guide on the WEC press area).**

****FIA WEC:** Any manufacturers or teams inviting media to WEC events must send their list of names to the contact below 8-10 days before each event.

****FIA WEC Support races:** The media delegate from FIA WEC Support Races must send their media list to the contact below 8-10 days before each event.

Accreditation Request:

Once the account is created, with the two elements of email + password, media can access the press area for all the championships and, in particular, the section to request Event Media Accreditation.

Accreditation requests are made on a race-by-race basis by filling in the form and supplying the following requested information:

- Commission Letter from your relevant publisher /editor/ team manager.
- Professional Insurance: **Mandatory** for every photographer/Video/TV requesting a tabard (all the championships/Series)
- The tabard request is subject to the decision of the Communications Department of the individual championships.
